SME MATCHMAKER SERVICE

Helping high-performing SMEs to secure high value,
long-term framework contracts on major projects

HERE'S THE **AGENDA** FOR QUARTERLY CONNECT 4

As you know, we're taking a slightly different approach with Quarterly Connect 4. This time around we'll be hosting a full day event, allowing Matchmaker SMEs, along with representatives from Programme and Project Partners and appointed Key Delivery Partners the opportunity to network, share knowledge and explore opportunities to collaborate in a relaxed setting. The format of this event means that you can pop in for as long as you want throughout the day.

During the morning session we'll also be holding a number of 10-minute Knowledge Share sessions, including progress updates and covering topics that are important to you. Please find the agenda for these below:

Lunch will be served from 12.30pm and refreshments will be available throughout the day.
